## **GUIDELINES FOR MAKING A RECOMMENDATION**

(for information only – please do not submit with recommendation form)

### **The following guidelines should be used when making a recommendation**

- Adult Recognition Awards are made to people who have given valuable service to Scouts Australia over an extended period. Such Awards are granted for sustained commitment to the Association, both within and beyond an adult member's designated role and responsibilities.
- These guidelines provide a summary of the provisions which can be found in the Scouts Australia Policy and Rules - R13.5 Scouts Australia Adult Recognition Awards
- Nominations for Adult Recognition Awards, with the exception of the Certificate of Merit, are normally considered **no sooner than four years after any previous award**.
- Corresponding Certificates and distinctive cloth emblems for wear on the uniform are issued with awards. A silver arrowhead **lapel pin** is for wear when **not in uniform** and is issued when the first Award is presented.
- Recommendations may be initiated by any member or formation of the Association and may be sent directly to the relevant Chief Commissioner.

### **To be considered for an award the person must meet these criteria**

- Be carrying out the responsibilities of his/her current Certificate of Adult Leadership or non-uniformed management role to the highest standard which contributes to youth membership growth.
- Promotes team work and a positive attitude in mentoring fellow Adults in Scouting
- Demonstrate leadership qualities which inspire enthusiasm among other Adults in Scouting.
- Provide ideas for the future direction of Scouting and demonstrates how they can be implemented to contribute to the development of youth and/or adults influenced by his/her role
- For the higher Awards, contribute to the wider Association by involvement in activities beyond the level of responsibilities normally expected in the appointment or management role held.
