

# ADVANCED COURSE (WOODBeadS) Take Your Scouting to New Heights!

The 2012 Advanced Training Course is now open for applicants.  
The course will run regardless of final numbers,  
but the more the merrier!!

## Are you ready to take your Scouting to the next level?

Low numbers in 2011 applicants resulted in the course being postponed, much to the disappointment of those that did apply.  
The course has now been rescheduled for the weekends of:

24 – 26/02/2012

9 – 11/03/2012

23 – 25/03/2012

## Want to give it a go?

It's as simple as filling in a **T1** (available on the Scouts WA website) and sending it in to the WA Branch Office for processing.

Please note: forms **must** be received two weeks prior to course.
