

Joey Participation Badges

These are the record sheets for the Joey Participation Badges and the Promise badge.

The form for the Buddy badge is in the Mob Programming book.

The forms for the Buddy, Environment, Adventure and Share and Care Badges go to the Scout Shop with your payment. They will be kept for the Branch Commissioner for Joey Scouts WA to see.

This information is collected to help with future programming and to see how many mobs are participating.

The Promise Record Brochure is for the Joey. The Leader fills out the Leaders Promise sheet and sends it to Branch for the BC Joeys to sign. It is then sent back for the leader to buy the badge.

Please remember to keep copies of everything that you hand or send in.
