

# ROPES & SPARS

## VENTURER CHALLENGE

Have you heard?

There is a new Outdoor Pathway for Venturers to follow. It has been aligned with your Venturer Award, Queen Scout & Endeavour Award.

Each pathway starts with the Ropes & Spars Course followed with various tasks that assist you in developing the skills & knowledge you have gained from the initial course.

Some of the things you will cover:

- Basic & advance rope skills
- Equipment Knowledge
- Light weight Pioneering
- Safety controls & Risk Assessments
- Mainline Pioneering – towers, bridges etc
- Anchorage & Pulleys
- Rope Care

If you are interested in finding out more –  
Email Hawk and take on a new pathway and

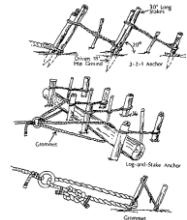

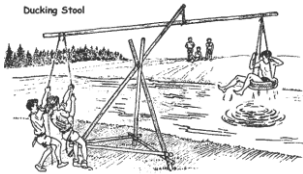

NEW CHALLENGES
