

Spiritual Awareness

BP said ...”Duty to God is linked with duty to self, duty to others, the spirit of service and the pursuit of happiness in life, the whole culminating with the ideal vision of society”

Our Scouting Promise in ‘Duty to my God’ is coupled with the Scouting Aims and Principles in allowing our youth to develop their Spiritual growth through learning by doing.

The WA Branch is currently seeking keen, energetic Rovers, Leaders, District Team Leaders and community members to take on an active role with the WA Spiritual Awareness Team.

If you have a keen interest in assisting our youth grow in their spiritual life, then consider assisting in this important part of our Scouting programme.

Please contact Vern Casey, (Branch Commissioner – Programme Support) with your expression of interest vlc Casey@hotkey.net.au
