

SUCCESSFUL SCOUTING

Notes ** February 2012.

GREETINGS FOR THIS NEW YEAR.

The Spiritual Development Committee began the year with a Meeting at the Centre on the 17th of January. We had the presence of Vern Casey, whom we welcomed very warmly to our gathering. There is still a need for more representatives from the Districts, and your attention is directed to the Notice in the Branch Info Email on the matter.

The members devoted the time to a review of the proposals for the year. There was discussion about the need for a series of Workshops for Venturers, to cover the Ideals part of their Program. A possible outline was considered and this will be referred to the Branch Leader for Venturers during the month. More news next time.

A Workshop will be held on the 24th of March for Leaders and Rovers of the Branch. This is considered an important opportunity to become more familiar with the question of the Spiritual Obligations of Leaders in Scouting. The substance of the program is similar to the Workshop held for Wanneroo District Leaders, and a few other Groups, which were well received by those who came along.

Topics include. Fundamentals of Scouting; Understanding Faith, Spirituality and Religion. Spiritual Development, Learning Objectives in Scouting.
